TILL CAPITAL ANNOUNCES NORMAL COURSE ISSUER BID

Hamilton, Bermuda, September 25th, 2015: Till Capital Ltd. (Nasdaq: TIL TSX.V: TIL) (the “**Company**” or “**Till**”), announces that it has initiated a new normal course issuer bid (“**NCIB**”). Under the new NCIB, Till Capital intends to bid for up to 265,502 common shares, representing 10% of the 2,655,025 shares forming Till's public float. As at September 16, 2015 there were 3,429,284 shares of Till outstanding.

The board of directors of the Company believes that the current and recent market prices for the Company's common shares do not give full effect to their underlying value and that, accordingly, the purchase of common shares under the NCIB will increase the proportionate share interest of, and be advantageous to, all remaining shareholders. The Company also believes the NCIB purchases will provide increased liquidity to current shareholders who would like to sell their shares. Purchased shares will be returned to treasury and cancelled. The bid will commence no earlier than three trading days following receipt of approval of the TSXV and will terminate one year from such date, or such earlier time as the applicable bid is completed or at the option of the Company. Purchases subject to the bid will be carried out pursuant to open market transactions through the facilities of the TSXV/Nasdaq by Canaccord Genuity on behalf of Till.

Under a prior normal course issuer bid, which commenced on September 23, 2014 and expired on September 23, 2015, Till purchased 183,400 common shares through open market purchases, all of which have been returned to treasury and cancelled.
