TILL CAPITAL CORPORATION ANNOUNCES RENEWAL OF NORMAL COURSE ISSUER BID

British Columbia, Canada, September 17, 2021: Till Capital Corporation (TSXV: TIL) ("Till"), announces that the TSX Venture Exchange ("TSXV") has approved Till's notice of intention to make a normal course issuer bid ("NCIB").

Pursuant to the NCIB, Till may purchase up to 253,600 common shares, representing 10% of the 2,536,988 shares forming Till's public float. As of September 1, 2021, there were 3,191,462 shares of Till outstanding. Purchases are to be made through the facilities of TSX Venture Exchange or other recognized marketplaces during the period September 24, 2021 to September 23, 2022.

The board of directors of Till believes that from time-to-time, Till's common shares do not give full effect to their underlying value and that, accordingly, the purchase of common shares under the NCIB will increase the proportionate share interest of, and be advantageous to, all remaining shareholders. Till also believes the NCIB purchases will provide increased liquidity to current shareholders who would like to sell their shares. Purchased shares will be returned to treasury and cancelled. The bid will commence no earlier than three trading days following receipt of approval of the TSXV and will terminate one year from such date, or such earlier time as the applicable bid is completed or at the option of Till. Purchases subject to the bid will be carried out pursuant to open market transactions through the facilities of the TSXV by Haywood Securities Inc., on behalf of Till.

Under a prior normal course issuer bid, which commenced on May 11, 2020, Till purchased zero common shares through open market purchases.
